

Big White Racers Snowflake Gala

Jason

We, the Big White Racers, a non-profit organization wish to extend our sincerest appreciation for your generous contribution to our Snow Flake Gala on Saturday November 20th 2010. The proceeds from our event contribute to the overall club costs to provide the necessary equipment, coaching and environment for kids of all ages to learn the disciplines of skiing, sportsmanship and community. Because of the overwhelming generosity of businesses and individuals like you we are able to maintain our entry level fees for another season. This will allow children who might not otherwise be able to, participate in our introductory programs and continue with their dreams of competing in the sport of ski racing.

Once again we thank you for making our evening a spectacular event!

Thanks for all the extra work you did for us.

Catherine Martin

President

Big White Racers
