Dear Mr. Bobbitt,

On behalf of the staff, volunteers and food recipients from the Kelowna Community Food Bank, I'd like to offer my heartfelt appreciation to you for your generous donation of \$ 750.00.

We are very excited about a number of programs that are taking place in 2010. Our Nutrition Improvement Programs continue which includes: *Tiny Bundles* that assist pregnant women and mothers with toddlers less than one year of age. *Vitality Hampers* for families, seniors and people with special health issues; which helps provide recipients with extra nutrition such as milk, eggs, formula, fresh fruits and vegetables. The *Kids Snack Pack* program gives children a one-week supply of nutritious snacks. As well the *No Hungry Children* campaign is successfully gathering long-term donors and bringing awareness to the needs in our region.

On a typical day, we help over 100 children, women and men in Kelowna with food hampers valued at more than \$6,500.00. Be assured that your contribution is directly helping provide nutritious food to low-income families and children in the Kelowna area. More than one third of the people we serve are children under the age of 15yrs. Nearly another one-third are low income wage earners; while the remainder of the individuals we assist are on a disability or are seniors on fixed incomes.

Your commitment to helping build a healthier community is greatly valued. There are always a number of other interesting projects and events taking place at the Food Bank, we encourage you to visit our website, [www.kelownafoodbank.com](http://www.kelownafoodbank.com) to learn more and find *your* way to show support.

With many thanks,

KELOWNA COMMUNITY FOOD BANK
