Dear KidSport Supporter:

On behalf of KidSport™ Canada I would like to thank you for your generous gift of \$252.23. As requested, your gift has been directed to Penticton, British Columbia. Your commitment to helping us enable all kids to become involved in organized sport is sincerely appreciated.

KidSport™ Canada is a grassroots movement of 3600 volunteers raising funds in over 175 communities across Canada ..... ensuring "*All Kids Can Play*". In 2009, KidSport™ raised just over 5 million dollars to support 40,000 children to play a season of organized sport.

Thank you again for your generous support of our efforts to get every kid on the playing field.

Best wishes
