To Whom It May Concern:

Re: Your Generous Donation Towards Alexandra Gardner House Women's Shelter

On Saturday May 15th, 2010 Trinity Baptist Church hosted a fundraiser golf tournament at Mission Creek Golf Club for the Alexandra Gardner House. This shelter provides transitional housing and is a Safe Centre for homeless women and children. It is run by NOW Canada, an organization that provides programs, services, and ongoing support to women and their children who have been victims of sexual exploitation, have addictions and/or mental health challenges. We are doing extensive needed renovations to this building to make it safe and comfortable to live in. Our current need is finances to carry out the renovation. Total amount raised at this point is 123,000 out of the total 180,000 that the project called for.

Our golf tournament raised approximately \$5,500 that will go directly towards a full renovation of this women's transitional residence. Without your contribution, this worthy fundraiser would not have been the success it was. We were pleased to display your company logo/name on a scrolling Power Point, as well as making mention of your support during the post-golf dinner.

On behalf of Alexandra Gardner House and Trinity Baptist Church we thank you for your generous contribution.

With Sincerity,

Kent Priebe
