Dear Jason Bobbitt,

On behalf of the Abbotsford Heat Foundation we thank you for your generous donation of \$7,163.20. These monies will be put to a great use by supporting an eligible organization within the Fraser Valley Region.

The Abbotsford Heat Foundation's goal is to improve the quality of life for youth under the age of 17 in the Fraser Valley. We will achieve this by supporting grass roots sport organizations, championing projects that improve health and education as well as advocating and supporting programs that repress risk behavior. We trust this goal is in line with where you would like to see the funds disbursed.

Once again we thank you for your donation and we look forward to doing more work with you in the future.

Kind regards,
