KINSMEN CLUB OF KELOWNA

Dear Pub Putt Sponsor,

Your participation in the 24th Annual Kelowna Kinsmen Pub Putt this year was "Out of this World!" That was our theme this year, a science fiction theme that asked to help us launch Cystic Fibrosis out of this world!! Thanks, in part to your involvement, we had a very successful year, despite a lower number of teams entered this year.

Both sponsors, and our Pub Putt participants did an outstanding job in raising funds to help combat this dreaded disease. The teams were very enthusiastic in raising pledges and donations from the pub patrons, and thoroughly enjoyed themselves throughout the day's activities. We also could not do this event without our dedicated volunteers.

As you will see on the enclosed copy of our thank you ad, which appeared in the Capital News, the event raised \$11,500 and we are proud to have had your support this year. We will be planning an even bigger event for next year, on February 19th, 2012 our 25th Anniversary for this event. Our goal is to have 25 teams entered and raise \$25,000. We hope you will continue to support us in our efforts to achieve this goal!!

Again, thank you so much on behalf of all the Kelowna Kinsmen as well as all the families and the individuals across Canada who suffer daily with the effects of Cystic Fibrosis. Kin Canada has been a partner in fighting this disease and searching for a cure with Cystic Fibrosis Canada for over 40 years and we have raised over \$37 million dollars in that time. We are getting so very close to beating this disease!! We hope you will join us in this fight, and be proud to say you were involved with helping to Launch CF "Out of this World!"

Sincerely,

Scott McKinnon,
