

February 9th, 2011

Dear Jason ;

The 17th Annual Wendy's DreamLift Day raised a record breaking \$109,382.45. By graciously donating your time and effort, you participated in creating a magical day for special children throughout the BC Southern Interior.

The funds raised means the dreams of special children who are challenged by life threatening illness or severe physical disabilities will come true. The next Wendy's DreamLift to Disneyland flight is scheduled for December, 2011.

When we review the success of Wendy's DreamLift Day over the past 17 years, it is clear that the public appreciates and relates to the hundreds of volunteers who contribute their time on this day. The proof is their presence and patience as they wait in line, sometimes for an hour. Our staff and managers also enjoyed having you assist in the restaurant.

If you have any suggestions on how we can improve next year's event, please do not hesitate to call. We look forward to seeing you at our 18th Annual Wendy's DreamLift Day to be held on Wednesday, January 25, 2012!

Thanks to you, we're making dreams come true!
