Dear Friends,

It is my pleasure to write to you today to thank you for your generous support of the **BC Society for the Prevention of Cruelty to Animals**. On behalf of all the animals who will benefit from your extraordinary generosity, thank you for your recent contribution of **\$876.50**. Your official receipt for income tax purposes is attached, and confirms where your gift has been designated for use in aiding and comforting animals in need.

As a supporter of the BC SPCA, your considerable support helps to:

- ensure the delivery of ongoing animal welfare programs and services at 36 community branches throughout British Columbia;
- fund the costs associated with the investigation of complaints of animal cruelty and bring animal abusers to justice;
- educate children and adults on the subject of the humane treatment of companion, farm and wild animals; and
- advocate for stronger laws and regulations to protect animals from abuse.

To learn more about how your support will help an estimated 45,000 animals in the coming year, I encourage you to visit our website at [www.sPCA.bc.ca](http://www.sPCA.bc.ca) where you can subscribe to e-newsletters, take action to end animal cruelty, find out what's happening at the branch nearest you and so much more!

We are pleased to have you helping promote animal welfare and protecting the animals in your community from cruelty and neglect. As a benefit of your support, and unless you have indicated otherwise, you will receive a subscription to our informative and educational *AnimalSense* magazine, twice a year in May and November; as well as timely BC SPCA communications regarding our work, special events and funding needs. If you wish to choose not to receive these benefits of your support or would like to discuss your options, please contact Ms. Melanie Parent at 604-647-1311 or 1-800-665-1868 in Personal Giving and she will be happy to assist you with your inquiry.

Once again, thank you. We are truly grateful you have committed to help protect, rescue, shelter and find homes for the many wonderful animals cared for every day at shelters throughout the province. Your support will truly make a difference in their lives.

Kind regards,

Craig Daniell  
Chief Executive Officer, BC SPCA
