Dear Jason:

On Friday, May 23, École Casorso Elementary School hosted a **Silent Auction and Family Fun Night**. This is our biggest fundraiser of the year.

We would like to take this opportunity to send you our wholehearted thanks and appreciation for your donation to this very important event. As a result of your contribution and others like yours, we were able to raise over \$7,500.00 at the Silent Auction alone!

Enclosed you will find our certificate of appreciation. The Casorso students, parents and staff thank you again for your support.

Sincerely,

**Silent Auction Coordinators**
