The SunFM "Have-a-Heart Radiothon" to raise much-needed funds for vital equipment on the Pediatric and Neonatal Ward has been a great success in the past thanks to the partnership between the media, supporters and suppliers and donors like you!

Funds raised will allow us to purchase the requisite neo-natal monitors needed to ensure quality care in the nursery/pediatrics ward. KGH Foundation seeks to maintain and upgrade existing technology so that we can continue to provide the best quality healthcare system in our facility and throughout the region.

Your gift will benefit children at KGH for many years to come. Thanks again for your support.

Sincerely,
