

To Whom It May Concern,

My name is Darryl Reuter and I am a member of the Kelowna and District Jaycees. We are a group of young professionals that organize several fundraising events throughout the course of the year. JCI is a national organization and Kelowna is one of the top chapters in regards to fundraising activities.

Our Flagship event is a fundraising dinner called the "Gentleman's Dinner" that raises roughly 15-20,000 dollars annually for the Big Brothers and Sisters of Canada. This event is a dinner for businessmen from town to network and join together in an effort to help out our youth.

This year Jason Bobbit from West Coast Authentic led the way in our silent auction portion of the evening, our biggest revenue stream for the event. His donations single handedly accounted for 50% of the money donated to the charity. Jason is very aware that his company has the ability to help out in these cases and he makes it a priority to help others through his products before himself. We are very grateful that we met him and look forward to his continued support throughout the years.

Sincerely,

Darryl Reuter
